

Unicorns love to be celebrated in art and storytelling.
Color this unicorn. Then, give it a name!

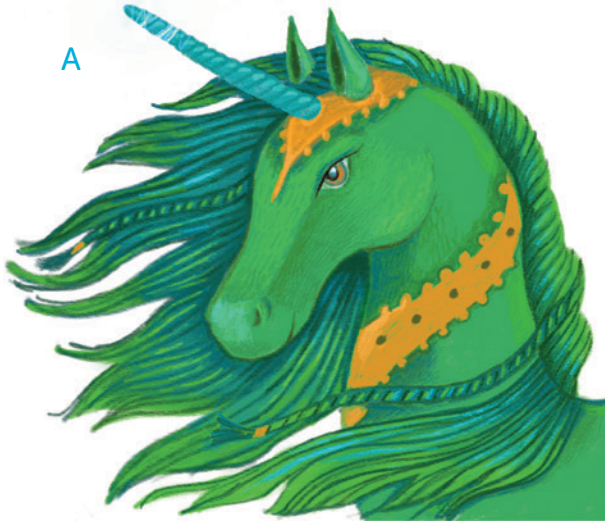

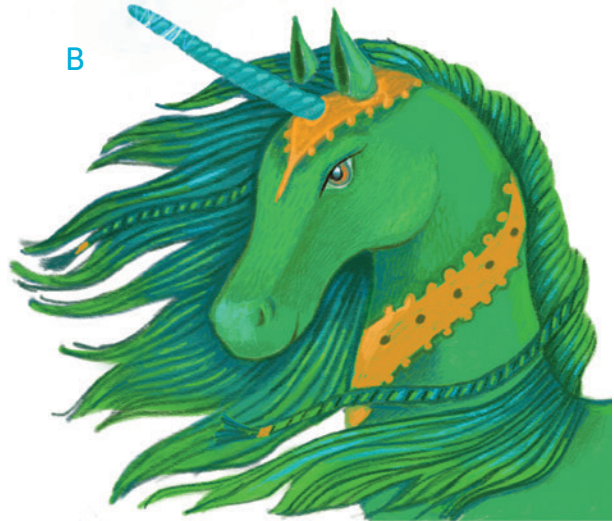

UNIQUE UNICORN

One of these unicorns is not like the other. Can you spot the standout?

SWEET FRIENDS

Some new friends have joined this wintry scene—and they aren't the only new things around. Six things have changed in the second picture. Can you spot them all? Circle each difference.

Answers (from top to bottom):
An owl has flown onto the scene.
The moon has risen.
The little pom-pom has fallen off the little girl's hat.
The unicorn's mane has new colors.
The small green tree next to the rock where the girl is sitting has grown larger.
The fallen leaves in the bottom right corner have blown away.
